LE:

**The projects and activities implemented must meet three statutory requirements:**

- Tie to promoting challenging academic achievement standards
- Used to improve student academic achievement
- Part of an overall education reform strategy

**Local Districts Must:**

- Conduct a local needs assessment (see your Five-Year Comprehensive Education Plan)
- Involve parents, teachers, and administrators, and other involved personnel (e.g., librarians or counselors) in the planning, design, and implementation of programs

- Provide equitable services to nonpublic schools within the district
